A TRADITION OF PERFORMANCE

The shooting sports are more than just a pastime or hobby – they're a tradition and a passion at Otis Technology. That's why we've dedicated ***over 40 years*** to the pursuit of flawless firearm performance in the field or at the range.

Since introducing our first compact cleaning system in 1985, we've continued to pioneer the ***most innovative and advanced gun cleaning systems*** – answering the changing needs of shooters and hunters worldwide. Today, we answer the needs of our dealers by working diligently with their input to adapt to an ever-changing market. With displays and point-of-purchase options designed with stores in mind, we're able to take the guesswork out of choosing the right solutions for you.

Each display features a curated selection of best-selling cleaning products and refill items, and our customizable options allow you to cater specifically to your customers' needs. This ensures your customers are getting the best clean every time, from our Memory-Flex® cables to our 100% cotton patches, they can always be confident they've got the right tools to ensure proper Breech-to-Muzzle® cleaning. Our commitment to you doesn't just stop there – we're also proud to be a supplier of choice for our men and women in law enforcement and the military – and will continue to proudly manufacture and assemble our products ***right here in the USA.***

OTIS TECHNOLOGY

PROUDLY AMERICAN MADE

Organization isn't optional. It's essential.

OTIS FLEX® SYSTEM

We're bringing function to your gun cleaning cases with the new ***Otis FLEX System®.*** It brings perpetual customization and modularity to gun care, allowing you to organize, build, modify and stack in configurations to meet your gun care needs. Thoughtfully designed, the ***Otis FLEX System®*** ensures you're always organized with the right tools for the job.

Always Organized
Items easily insert into the various parts organizers for a secure fit.

Quick Access
Storage trays and swiveling rails offer quick access and removal of components.

Room to Expand
Designed for versatility, you can add or move various parts organizers around as you need.

Secure
Parts are held securely in place - even difficult to contain items like cables and patches.

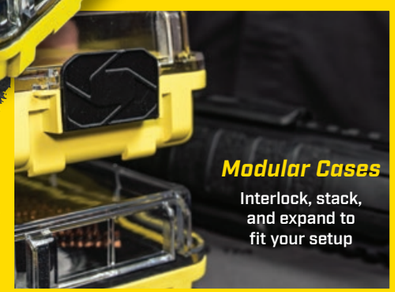

Connect and Stack
Interlocking tabs allow you to stack cases and is compatible with all ***Otis FLEX System®*** cases.

Modular Design
Cases and parts organizers are compatible with other ***Otis FLEX System®*** cases and organizers. Mix and match for your gun care needs.

Designed, Engineered & Built in America. Learn more at otistec.com/flex.

Customizable
Build your kit as you see fit

Modular Cases
Interlock, stack, and expand to fit your setup

Highly Organized
Quick access with secure storage

Otis FLEX System®

DISPLAY ENHANCEMENTS

Multiple SKUs Available

Boosting brand recognition

The ***Otis FLEX System®*** brings order to gun care - and the merchandising does the same for your shelf. Designed with impact and clarity in mind, each display solution puts the system front and center while making it easy for customers to understand and buy in. Whether you have three, four, or five feet to work with, there's a solution that fits - built to integrate with your existing fixtures or stand alone as a premium display. High-visibility branding and clear informational elements keep everything organized, easy to navigate, and ready to move.

In-line merchandising bundles include high-impact pegboard paper, informational panel, aisle violators and header. Premium free-standing display includes full branded display and aisle violators.

PEGBOARD PAPER

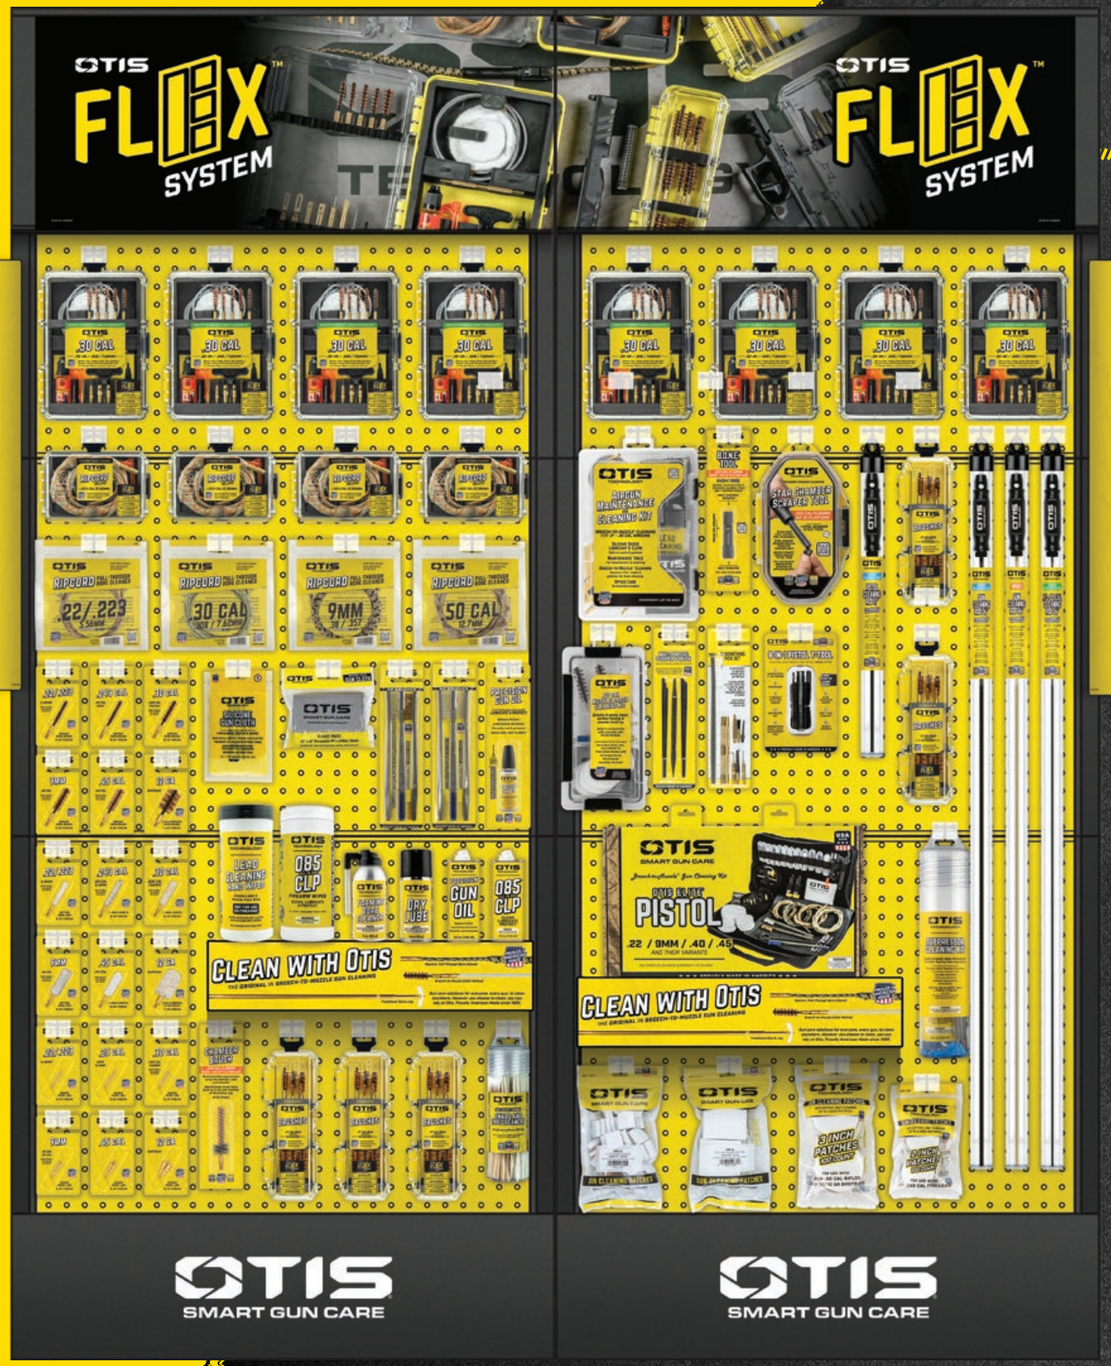

The 12x48 in. information pegboard paper highlights the ***Otis FLEX System®***, similar to how it is presented on the aisle violator

Prefer to build your own assortment? Meet the required minimum amount (see the chart to the right) and receive the display enhancements for free. It includes aisle violators, pegboard paper with informational panel and your choice of framed header or header topper. For pre-planned display solutions, turn to page 10.

IN-LINE MERCHANDISING BUNDLES

FLEX Premium free-standing displays come with high-impact merchandising materials designed to educate shoppers, drive engagement, and elevate your product across 2.5' and 5' sections. This includes a durable free-standing display with bright Otis yellow pegboard, FLEX specific header, and informational panels that easily attach to the side of the displays. The 5' configuration consists of two displays joined together and features headers designed to complement one another for a complete, streamlined look. Implement this display as an end cap or in a high-traffic area near the gun counter.

Includes infographic panel, pegboard paper (with fasteners), aisle violators and your choice of framed header or header topper.

FLEX in-line assortments come with high-impact merchandising materials designed to educate shoppers, drive engagement, and elevate your products across 3', 4', and 5' sections. This includes a FLEX-specific header, pegboard paper & informational panel and aisle violator(s). When you order one of our pre-loaded in-line assortment packages - or order a custom assortment of FLEX and Otis products exceeding a certain dollar amount — you may choose your preferred FLEX header: a sleek 4' framed down-angled header compatible with existing 4' gondola units, or a simpler 4' header with durable magnetic holders that allow the sign to sit securely atop the gondola frame for maximum visibility.

PRECISION GUN OIL

#FG-GO-01PDQ (Display featuring 24 - 1 oz bottles)

Long-lasting lubrication & rust prevention

Otis Precision Gun Oil brings you superior lubrication and corrosion protection for every firearm in your safe. This long-lasting lubrication reduces friction between moving parts, helping ensure smooth operation and cycling. Precision Gun Oil creates a protective barrier against moisture and oxygen, which prevents rust and corrosion. Effective in temperatures ranging from -35°F to 345°F, and very useful in humid environments. Also available in a 1 oz and 4 oz sizes, each with applicator nozzles for precise use.

PDQ tray ships in a box. Simply pull the lid back, tuck it back behind the product tray, tear along the perforated edges and set on the shelf or counter.

NEED MORE INFO?

If you’d like to learn more about products featured on displays or PDQs, visit ***otistec.com*** or ***shooters-choice.com***. As always, you could call us at ***1-800-OTISGUN*** or email us at ***sales@otistec.com*** and talk to one of our knowledgeable customer service support members.

For over 40 years, Shooter's Choice has worked to provide the most effective gun care solvents and lubricants in the world.

Our custom blended products are formulated by chemists who are shooting enthusiasts as well. This unique combination of talent has enabled us to move to the forefront of our industry. We pride ourselves on creating products that perform and provide the very best care for your firearms.

Our customers vary from professional to amateur target shooters, hunters, armorers, law enforcement, and military special forces in the US and throughout the world. We are privately held and family owned.

We realize that we're not the only gun care company out there but our reputation for excellence speaks for itself. We are the Gun Care Professionals.

SHOOTER'S CHOICE®

Have a question about a product? Running low on something?
